The Clubs provide everything from an intimate dinner for two to party rooms seating hundreds of people.

The catering staff provides world-class food for weddings, professional military education events, hails and farewells, promotion celebrations, and any other special events.

We also cook and distribute approximately 1,700 meals each day for the children at our Child Development Centers aboard Camp Lejeune.

The Clubs offer facilities for Marines and their families to meet and rejoice in shared experiences, surrounded by people who understand them.
